Sky Go/Sky Go Extra – Terms & Conditions

This text (together with the documents referred to in it) sets out the terms and conditions on which we provide the Service (defined below) to you (together, the “Contract”). Please read this Contract carefully before subscribing to the Service.

By proceeding to use the Service, you are indicating your agreement to the terms and conditions set out in this Contract, including any changes to them or the Service in accordance with these terms and conditions, and the terms and conditions applicable to any offer you have selected.

If applicable, you must also enter the End User Licence Agreement with Sky, a copy of which is set out on the Website.

You should print a copy of this Contract and (if applicable) the End User Licence Agreement from the Website on the date you enter into this Contract, for future reference.

IMPORTANT TERMS ABOUT THIS CONTRACT

Please take a few minutes to read the following important terms. Further terms and conditions are set out later in this Contract which you should also read carefully. Part 1 of this Contract sets out the terms that apply to your use of Sky Go. Part 2 of this Contract includes additional terms that apply to Sky TV customers who take a Sky Go Extra subscription.

Can I subscribe to the Service?

Yes, if you are 18 or over and you use the Service only on your Device(s) in the Territory (defined below). Sky Go Extra is only available to Sky TV customers.

How much does the Service cost and how do I pay for it?

If you are a Sky TV customer access to some Content is available at no extra charge. To access some Service features and Content you may need to pay a Subscription Payment for Sky Go Extra. You can also separately purchase access to other Content. Non-Sky TV subscribers must pay a Subscription Payment to use the Service. Payments (where applicable) will be added to your Sky TV bill or processed separately on our behalf by MPP (depending on whether or not you are a Sky TV customer and the Content in question). Pricing information is displayed on the Website and/or within the Service at the point from which you can access Content.

What network connection do I need to access the Service?

Access to the Service is dependent on you having an adequate broadband internet connection (minimum 2Mbps recommended per Device accessing the service concurrently) and/or 3G Mobile Network (180-1400Kbps recommended depending on the Content you want to watch and the Device you are using). Further information on these requirements is set out on the Website.

What Content is available?

The Content that is available on the Service depends on the part of the Service you are subscribing to and is set out on the Website and updated from time to time. Due to rights restrictions, we may be unable to make certain programmes available via the Service or we may be unable to show Content on certain Devices (see Website for details).

Will the Service change?

The Service is variable and therefore may change from time to time, including the Content available on and the Devices compatible with the Service. (Some of the Content available on the Service is supplied by other broadcasters and therefore the availability of such Content is outside our control.)

How much notice will I get if you change the Service or increase my Subscription Payment?

Other than for changes to the Content on the Service (which happen regularly and which we won't normally notify you about), we will try to give you at least 31 days' notice before we change the Service to your material disadvantage (we may be unable to do so if, for example, a change is required for security reasons or because a third-party broadcaster no longer makes Content or functionality available to us) or increase your Subscription Payment, unless such increase results from: (a) you changing your subscription; or (b) us being required to increase our prices by law or because a regulatory authority requests or requires us to do so (if this happens we will try to give you reasonable notice in writing). If you are not the payer of the Subscription Payment, you should tell the payer about any price increase notice we send you.

How do special offers affect my Contract?

If you are eligible for and take up a special offer, the relevant terms and conditions in this Contract will be varied to take account of the offer terms and conditions.

7 CANCELLATION, SUSPENSION OR RESTRICTION OF THE SERVICE

- 7.1 If you are not a Sky TV customer you can inform us that you wish to cancel your subscription to the Service at any time via the Website and your cancellation will be effective and your access to the Service will cease at the earlier of:
 - 7.1.1 the end of the Payment Period in which you tell us you want to cancel; or
 - 7.1.2 where you have given us notice in accordance with clause 12.4, the end of the 7 day notice period referred to in that clause.

- 7.2 We can cancel this Contract at any time. Except as otherwise specified in clause 7.4 below, if we cancel this Contract and:
 - 7.2.1 you pay a Subscription Payment to use the Service, you will have access to the part of the Service to which the Subscription Payment relates for the remainder of your current Payment Period, but your subscription will not automatically be renewed; and/or
 - 7.2.2 you will have access to Content purchased by way of a One-Off Payment and subject to an Access Period for the remainder of the Access Period.

We shall use our reasonable efforts to notify you in advance (via the Website or otherwise) about the unavailability of certain programmes and Device restrictions.
- 7.4 We may immediately suspend or restrict your (or if applicable any of your Additional User's) use of all or any part of the Service:
 - 7.4.1 where reasonably necessary for technical or operational reasons;
 - 7.4.2 if you have missed any payments you owe to us, or your payments are outstanding, for example if your payment method fails, although we will first give you an opportunity to put things right which you will need to do within 7 days;
 - 7.4.3 if you breach any of the terms of this Contract, although for non-serious breaches we will first give you an opportunity to put things right which you will need to do within 7 days. For serious breaches (for example if you break Conditions 3.3, 3.4, 3.6 or 9) we will normally exercise this right immediately;
 - 7.4.4 if we consider that you (or if applicable any of your Additional Users) have committed or may be committing any fraudulent activity against us or against any other person or organisation through your or their use of the Service;
 - 7.4.5 if you or anyone you authorise to deal with us on your behalf acts in a way towards our staff or agents which we reasonably consider to be inappropriate and sufficiently serious to justify restricting or ending Sky Go and/or this Contract.

8 LIABILITY

- 8.1 Nothing in these terms limits our liability for death or personal injury caused by our negligence, fraud or fraudulent misrepresentation or for any matter that we cannot exclude or limit as a matter of law.
- 8.2 You will be responsible for the actions and omissions of any Additional Users (if applicable).

 - Such loss or damage was not contemplated by both you and us at the time we entered into this Contract
- 8.3.5 Any loss or damage (including to any devices or content that belong to you) caused by us or any of our respective employees or agents to the extent that such loss or damage results from your negligence, your failure to follow our reasonable instructions or any other breach by you of this Contract, unless we or our respective officers, employees, sub-contractors or agents were in breach of a legal obligation or duty of care owed by us or them and that breach is the most significant cause of the loss or damage.
- 8.3.6 Any loss or damage caused by any:
- errors, viruses or bugs present in or arising from your use of the Service that are not directly caused by or attributable to the Service; or
 - incompatibility of the Service with any other software, hardware or material on your Device.
- 8.3.7 Any delay or failure by us to provide the Service (or any part of it) caused by a change made by a third-party device manufacturer or provider of a third-party device operating system that is outside our reasonable control.
- 8.3.8 Any damage to separate devices or digital content that belong to you where such damage would not have been caused if you had followed our reasonable instructions.
- 8.4 The limitations in clause 8.3 do not affect your legal rights (for example we cannot exclude our liability to you if Sky Go is not of satisfactory quality or fit for purpose or does not match the description). If you require any advice on your legal rights, you can refer to www.adviceguide.org.uk or www.consumerconnect.ie

9 COPYRIGHT, TRADEMARK AND INTELLECTUAL PROPERTY

- 9.1 Your use of the Service and any software required to use the Service is protected by intellectual property laws, this Contract and (if applicable) the End User Licence Agreement.
- 9.2 All copyright, trade-marks and all other intellectual property rights in all material or Content supplied as part of the Service will remain ours or, where applicable, our third party content partners. We hereby grant you a licence to use such rights for your personal use of the Service only, in accordance with this Contract.
- 9.3 You must not do or authorise any of the following:
- 9.3.1 copy (except as permitted under the Copyright Designs and Patents Act 1988, as amended from time to time), publish, rent, reproduce, transmit, frame, reverse engineer, decrypt, decompile, disassemble, alter or commercially exploit the relevant software or any Content you stream or (if applicable) download from the Service;
 - 9.3.2 sell or make any charge for watching or using any part of the Service;

- 9.3.3 show any part of the Service to the public even if no charge is made;
 - 9.3.4 tamper with or modify the signal of any Content; or
 - 9.3.5 alter, cover, modify or remove any graphics, logos or other on screen text or images appearing on any stream or download of any Content.
- 9.4 We may prevent the copying of any part of the Service.

10 INFORMATION ABOUT THE SOFTWARE AND YOUR DEVICE

- 10.1 If you are required to download software in order to access or use part of the Service, it may send information about itself and your Device (including in relation to usage) to us. The type of information we may collect about the software and your Device under this clause 10.1 is explained on the Website. By using the relevant software, you are indicating your consent to the transmission of this information.

11 PROMOTION AND ADVERTISING AND LINKS TO THIRD-PARTY SITES

- 11.1 Your dealings with, or participation in promotions by, any third-party advertisers on or through the Service are solely between you and such third party. - 11.2 The Service may present links to third-party websites not owned or operated by us. We are not responsible for the availability of these sites or their contents.

12 VARIATIONS AND REVISIONS

- 12.1a The Service is variable and therefore may change from time to time for any reason stated in Condition 15.1 or 15.2. Subject to clause 12.1a, we will use reasonable efforts to give you at least 31 days' notice before we change the Service which is likely to be to your material disadvantage (we may be unable to do so if, for example, a change is required for security reasons or because a third-party broadcaster no longer makes Content or functionality available to us) or increase your Subscription Payment, unless such increase results from: (a) you changing your subscription; or (b) us being required to increase our prices by law or because a regulatory authority requests us to do so or requires a change to any aspect of our pricing which directly affects your Subscription Payments or our pricing structure (if this happens we will try to give you reasonable notice). If you are not the payer of the Subscription Payment, you should tell the payer about any price increase notice we send you.
- 12.1b We will not normally notify you of changes to the Content on the Service, though we will notify you separately if we are required to do so under a separate contract we have with you (for example, for Sky TV).
- 12.2 If you are eligible for and take up a special offer, the relevant terms and conditions in this Contract will be varied to take account of the offer terms and conditions.
- 12.3 Unless the change is required to be made immediately for security, legal or regulatory reasons in which case we will notify you as soon as reasonably possible, you will receive at least 31 days' notice of any changes to this Contract which are made for any reason stated in Condition 15.1 or 15.2. This right to vary will not be used to change the terms of any special offer which applies to you and you have accepted during the term of the offer.

- 12.4 If we amend this Contract and you reasonably consider that you would be materially disadvantaged by this you may end this Contract by giving us 7 days' notice ending no later than 31 days' from the date of the notice referred to in clause 12.3.

13 NOTICES

- 13.1 If we give you any notice that is required under this Contract, we shall give it to you in writing or by electronic communication (including via email, via the Website or via a notification within the Service). If we send you any notice with any other electronic communication, such as with a service message, the notice will be in a separate section of the relevant communication and will be clearly marked. The notification will be deemed to have been delivered on the day the electronic communication is sent provided we have not received a failed delivery notice (in which case we will send a notice via the Website).
- 13.2 We will send notices to you using the contact details you have given us (including to your primary email address).
- 13.3 You must provide us with accurate, true and correct contact details (including a valid email address) and you must keep this information up to date.

- 14.2 This Contract is personal to you and no third party is entitled to benefit under this Contract except pursuant to clause 14.1 above.
- 14.3 All or any part of any term of this Contract that is found to be unfair or unenforceable will be treated as deleted and the remainder of the terms will continue to govern each of our respective obligations going forward.
- 14.4 This Contract is governed by English law, unless you live in Scotland, Northern Ireland or the Republic of Ireland in which case it will be governed by Scots law, Northern Ireland law or ROI law (as applicable). Any disputes under this contract shall be dealt with by the courts of the country whose law governs your Contract, unless you live in Scotland, Northern Ireland or the Republic of Ireland in which case you can choose to bring a dispute before the courts in your country or the English courts instead.

15. REASONS FOR CHANGES

 - 4.2 you have given notice in accordance with clause 12.4 of Part 1 of this Contract in which case your cancellation will be effective at the end of the 7 day notice period referred to in that clause.
5. If you no longer meet the eligibility requirements to receive Sky Go Extra at no extra cost (for example, because you change your Sky subscription) then, unless agreed otherwise, you will be charged the standard price to receive the Sky Go Extra service from that point.

6. If you have downloaded Content to a Device you will not be able to view that Content from the point you are no longer eligible to receive the Sky Go Extra service and that Content will be automatically deleted from your Device.

Cancellation period: You have the right to cancel your order for Sky Go Extra without giving any reason any time up to 14 days ("cooling off period") from the later of: (i) service activation; or (ii) receipt of this notice.

Sky may offer an enhanced cooling off period from time to time which we will advise you of at the time of your purchase.

How to cancel: Any cancellation within this timeframe must be in accordance with this notice. You can cancel your Sky order by:

- (i) calling 03442 41 44 14 (UK) or 0818 719 829 (ROI);
- (ii) writing to Sky Subscribers Services Limited, PO Box 43, Livingston, West Lothian EH54 7DD;
or
- (iii) visiting the "Contact Us" section at sky.com and completing the online cancellation form (UK customers) or requesting that we cancel your order via MySky (Republic of Ireland customers).

You must give your name, customer account number, address, post code, telephone number and, where available, your e-mail address in order to cancel your order. If you cancel in writing we will send you an acknowledgement of receipt by e-mail, or letter if we do not have an e-mail address for you.

Effects of cancellation: If you cancel this contract during your cooling off period we will refund to you all payments received from you, but if your Sky Go Extra service was activated during the cooling off period, you must pay us an amount which is proportionate to the service provided up to the point you cancelled your order. You will not receive a refund for any one-off fees for activation or set up services if you cancel a service after activation.

Refunds: We will make any refund due to you (less any deductions due to us) without undue delay and not later than 14 days after the day you inform us of your decision to cancel. We will make the refund using the same means of payment that you used when you placed your order, unless you have agreed otherwise.

These cancellation rights do not affect your legal rights. If you require any advice on your legal rights, you can refer to www.adviceguide.org.uk (UK) or www.consumerconnect.ie (Ireland).
