

COMCAST ENTERPRISE PROCUREMENT

Preferred Supplier List – June CY22

Welcome to our Sky Studios Preferred Supplier List – June CY22

Here you will find our preferred and recommended suppliers who cover multiple category areas:

- **Accommodation / Overflow Spaces**
- **Camera & Grip Equipment**
- **Fuel – Green D+**
- **Hard Drives / Data Storage / Stock**
- **Hire Vehicles**
- **Lighting, Grip & Power**
- **Location Catering**
- **Location Facility Trucks**
- **Location Supplies**
- **Location Toilets**
- **Music**
- **Production Waste/Storage/Asset Management**
- **Taxis / Executive Cars**
- **Other Businesses to consider for your productions to support our local Elstree Community will be added to this evolving document soon!**

Other production categories are still going through the process of being sourced and vetted, so please consider this as a 'live' evolving document.

The differentiation between Preferred, Recommended & Approved Suppliers is detailed below:

Supplier status:	Description of status:
Preferred Supplier	We are actively encouraging usage of our Preferred Suppliers that should be approached in the first instance. They have excelled throughout our vetting process, and they are premium in their category from an overall responsible production, commercials, capability, and partnership perspective.
Recommended Supplier	Recommended Suppliers are also great partners, and we are working collaboratively to continuously improve on certain elements. We will be looking at opportunities to develop our Recommended Suppliers into Preferred Suppliers in the future.
Approved Supplier	Approved suppliers are not housed in this list, but productionprocurement@sky.uk can be contacted for these details if required. However, we would encourage our Preferred and Recommended suppliers are contacted as a first port of call.

Please contact productionprocurement@sky.uk to enable access to our preferential deals if you are a Sky / NBCU Production

*Relevant specifically for Sky Studios Elstree Productions
