### **BACKGROUND**

This document sets out the Charges payable pursuant to:

- EPG Services Agreements with Sky UK Limited (formerly British Sky Broadcasting Limited) (“Sky”); and

Except where otherwise stated, the Charges specified in this document shall apply from **1 January 2014**.

All Charges listed in this document are exclusive of VAT.

Capitalised terms in this document shall have the meaning given to such terms in the relevant EPG Services Agreement or Conditional Access & Regionalisation Services Agreement.

For the avoidance of doubt, the entity holding the relevant Agreement will be liable for all of the relevant categories of Charges specified in this document (on a cumulative or additive basis), except where the categories are expressed as alternatives.

### **PART A: CHARGES PAYABLE PURSUANT TO EPG SERVICES AGREEMENTS**

In this section A, a “regional variant” shall mean a variant of a Channel which is not listed in all Bouquets and/or is not listed in all Sub-Bouquets. “Bouquets” and “Sub-Bouquets” are defined in the EPG Services Agreement, where relevant.

Subject to the terms of that Agreement, Sky may, no less than 12 months after launch of such Channel, specify a specific Platform Contribution Charge in accordance with the terms of the Agreement, which would then be payable under Part A2.1.
